Cockpit and Swim Platform

Upon boarding “Cloud Nine” from the stern you immediately notice that the vessel is very clean and tidy for a vessel of this vintage. The Sabre 36 Aft Cabin is a well designed and quite handsome. Molded in steps port and starboard lead to the aft deck, additional molded in steps lead to the bridge. Tender and Outboards not included in the sale.

- Deep storage located in deck hatch
- Cockpit Shower – Hot/Cold
- Two 120V 30amp Shore Power Connections
- Cockpit lighting
- Aft Haus Cleats (1 Port, 1 Starboard)
- Cockpit Bridge Staircase molded in
- Weaver Tender Shackle Hardware
- Railings, Stainless
- Entryway to Aft Cabin

Salon

The salon is accessed through a pair of sliding doors, one port and one starboard. The salon is inviting and comfortable with its rich wood accents and cabinetry. The blue dinette/lounge is nautical in appearance and goes well with the beautiful woodwork and teak and holly cabin sole. A gorgeous high gloss wood hi/lo table serves casual dining duty and lowers to make a double berth for additional sleeping.

The salon is the main lounging and entertaining room. A Fusion stereo system provides entertainment. 360-degree windows ensure the cabin is bright, comfortable and inviting. Storage is always a premium on a vessel and “Cloud Nine” is well designed and has plenty of it. There are numerous salon cabinets and drawer storage. There is no wasted space and access is provided to every square inch.

For evening privacy to just to block the afternoon sun, shades are provided on every window including the sliding salon doors.

Galley

The galley is located aft in the salon to the starboard side. The galley is L-shaped and is of the appropriate size for a vessel of this caliber. The beautiful woodwork is continued in the Galley with solid surface counters. Counter space is more than ample. A large stainless sink will come in handy. Lots of storage is available with every cabinet giving complete access to all of the storage areas. The refrigerator is to starboard with freezer above. A Princess 3 burner cooktop with oven below provides cooking duty.

Located within one of the upper galley cabinets are the remote gauge panels for the: Xantrex pro-sine Inverter/Charger controller and monitor; Northern Lights Remote Generator Start/Stop & Gauge Panel; Wema 5 tank monitoring system (3 fuel, water and waste) and fuel transfer pump switch.

Nor-cold refrigerator/freezer

Princess 3 burner cook-top

Princess Oven

Lower Helm

The Lower Helm is located just forward of the Galley and has both a Port and Starboard pilothouse door for easy access to either side of the vessel. Visibility forward, Port and Starboard are unhindered and the view aft is acceptable for a vessel of this configuration. A dinette is located to Port and can serve double duty as either a dining table for up to four adults or can be used as a chart table for planning your next adventure. The helm is well laid out with every instrument and switch within easy fingertip reach. Running the vessel from this well laid out lower helm is very comfortable.

SS Ships Wheel

AC Electrical Panel

DC Electrical Panel

Fly-Bridge

The bridge can be accessed from the aft deck stairs. A stainless steel Bimini top with 3 sided isinglass enclosure with u-zips make the bridge part of the living area of the vessel or the enclosures can be opened up for nice weather navigating. The helm is located forward with great visibility. A single helm seat keeps the captain comfortable and an additional seat to port allows a copilot to assist with navigation duties. Aft of the bridge helm is port and starboard seating with fiberglass folding table allow for entertaining or dining while at rest or underway. As with the lower helm, the Bridge Helm is well laid out with everything in easy reach. Nearly all instruments and electronics have duplicate controls up here on the bridge as listed below.

Broker's Comments

“Cloud Nine” is a fine example of a well thought out and handsomely constructed Aft Cabin Motor Yacht. Sabreline marketed this model as a Fast Trawler and with a cruising speed of 18 knots, they were correct. This Sabreline is owned by a very knowledgeable Master Captain and has been well cared for and maintained. She is ready to leave the dock for any adventure you could think of. This 1995 Sabreline 36 Aft Cabin Motoryacht is in well above average condition and will not disappoint. Call today to make an appointment to “Cloud Nine” today.
