Description

Cynsational is a gorgeous example of one of Cruisers most innovative models ever produced. The Cruisers 4450 Express Motor Yacht is highly desirable and is well on its way to becoming an iconic classic yacht that will be sought after for many generations to come. Cynsational is comfortable, dry, stable, fuel efficient with a fantastic hull design to handle rougher sea conditions that keep similar sized vessels at the dock. This Cruisers 4450 has twin 480 HP Volvo diesels set up in a straight inboard configuration for a great ride and great handling due to her near perfect weight distribution. Based on 90% of the available fuel, at a cruise speed of 20kts, “?” has a range of approximately 350 nautical miles. That is unheard of in a planing motor yacht of this size, where the average range is 200 nautical miles.

Cynsational has the highly desirable Volvo TAMD 74 diesel engines rated 480 H.P. ea. coupled to straight inboards. This is the highest power option ever offered in the Cruisers 4450. If you have been looking for a yacht in excellent condition at a fraction of the original price, congratulations, you have found it. Don't let this fantastic deal pass you by!

Manufacturer Provided Description

The Cruisers 4450 Express Motoryacht is a sleek, powerful yacht that offers all the advantages of express-style cruising. The cockpit provides comfortable seating associated with traditional express boats but eliminates the typical separation of guests between a bridge and aft deck. The cockpit includes a wetbar that can accommodate a refrigerator and ice maker, and a full windshield provides excellent wind and weather protection. Owners will also be able to select a Bimini top enclosure that attaches to a standard arch, or an aft hardtop with wing doors and a full weather enclosure. This boat offers triple-stateroom accommodations in a true aft-cabin interior. The master stateroom offers both privacy and luxury, is located aft, and features an island berth, walk-in closet, and a private head with shower. A guest stateroom is located forward, and a third stateroom is located amidships. The spacious, bright main salon offers additional sleeping accommodations with a large convertible dinette, full service galley, and an optional L-shaped sofa sleeper.

2001 Cruisers 4450 Express Motor Yacht Key Features

Optional Vovo TAMD 74 Diesels @ 480 HP ea. Optional Hardtop over the aft deck w/ Full Enclosures Optional Bow Thruster Optional Radar & SAT TV mounted on mast Optional Bimini Top with Full Enclosures on Bridge Optional Raymarine® C-120 Widescreen Color Radar/Chart-plotter combo
